Sponsorship Levels for 2019 MHB Conferences

NOTES:

Gold sponsors receive **one 20-minutes breakout session** as part of the standard package, but will be offered an opportunity to add a second one for a fee.

The inventory for extra sessions will be limited. Requests for additional sessions will be treated on a **standby basis**. A limited number may be confirmed immediately, and rest will be released no later than a month before the conference.

Gold sponsors who clear the waiting list for a second breakout session will be charged \$1500 for it by credit card, with no processing fee.

Silver sponsors will receive a **10 minute breakout session**. The last 20 minutes of the breakout session section split in two, and will be guarantee sessions for a total of 8 Silver sponsors. Also note that these 10 minute breakout sessions will not have the option of AV projection, due to the quick turn over time

Platinum and Gold sponsors will be given an opportunity to present introductory remarks to the entire audience, as was done in previous years. However, starting in 2019, the representatives of Silver and Bronze sponsors will be introduced to the audience, and their company profile (140 or 80 words, respectively) will be read by us instead.

Consultation space will no longer be a standard part of any sponsorship package. We will secure as many spaces as possible for each venue, and make them available at cost upon request, with priority given to Platinum and Gold sponsors.

We've added several **underwriting options** to all providers, and several that are limited to "third party" providers: pharmacies, providers of escrow, insurance, etc.

In some venues (such as Florida), Bronze (and possibly also Silver) sponsors will receive a table in a well accessed room adjacent to the main exhibit hall.

Providers that need to buy extra tickets beyond the number allocated to their level, will pay a non-subsidized rate of \$150 for the weekend / \$100 for one day.
